## CARE FOR YOUR DREAM™

**Swissvax is a uniquely hand-crafted car care system made in Switzerland** and designed to be the finest product line of automotive cosmetic maintenance in the world. Since 1930 the Anwander family has been creating magnificent Carnauba wax formulations. The Swissvax system is comprised of two major components: a cleaning pre-wax oil which prepares and nourishes the surface, and then the wax formulation of your choice. The essence oils found in Swissvax waxes like avocado, passion fruit and orange produce a wonderfully aromatic fragrance, combined with

high volumes of pure Brazilian carnauba, the world's purest, hardest and most transparent natural wax.

These exclusive formulas are very easy to apply, leaving no white residue or wax build-up. There are quite simply, no compromises when it comes to our pursuit of the ultimate wax and car care system. No wonder
